FROM THE PRINCIPAL *Dan McCormack*

Last week we said farewell to our Year 12s of 2018. I would like to take this opportunity to congratulate all award winners from our Valedictory evening – you will find an acknowledgement of all winners in this newsletter.

Our current focus is on our Year 11s. At the risk of sounding like a broken record, it's imperative that our Year 11s continue their efforts in the lead up to the end of the year. We are now heading towards final assessments and end of year exams so the momentum needs to continue. As soon as results are through some students and their parents may be contacted to reselect courses for a repeat of Year 11. I'm assuming that this will not be a surprise to anyone as I'm sure many warnings would have been given along the way.

Congratulations to Deanne Hadfield. Deanne is this year's recipient of the Australian Defence Force Long Tan Leadership and Teamwork Award. These are awarded to students who display strong values, such as doing one's best, respect for others and 'mateship', that are integral to Australian society. Also – congratulations to Anthony Relf. Anthony is the recipient of the Australian Super Award for Excellence in Vocational Education and Training. This award acknowledges the achievements of students who complete both a certificate course and units of workplace learning.

With this newsletter you will also receive a Semester 2 Colours Awards nomination form. These are to be returned to the college by Friday 16 November.

Staffing news – Amy Palmer will be heading off soon to go on maternity leave. We wish Amy well as she adds to her family. In her place we welcome Vicki Bogensperger joining us from Kalgoorlie-Boulder Community High School. Vicki will be our Year 11 Deputy Principal in 2019 and brings years of leadership experience to our college.

COLLEGE CHARGES

As the year's drawing to a close, we request that all outstanding charges are finalised as soon as possible to avoid recovery action. Payments of these charges ensure we can deliver a quality education to your son/daughter.

We appreciate your prompt attention to this if you still have charges outstanding. Payment plans are available by contacting our Manager Corporate Services on 90923100.
