

# Certificate IV Preparation for Health & Nursing Studies

Delivered through VETDSS, Central Regional TAFE (RTO Code 52789)

National ID: 52831WA

State ID: 8CY91

## What is the VETDSS Certificate IV Preparation for Nursing Studies all about?

VET Preparation Nursing is for students wishing to enter a career as an enrolled nurse. The Certificate IV will prepare students with the knowledge and skills required to study nursing. You will learn about anatomy and physiology, microbiology, medical technology, applied mathematics, as well as physics and chemistry related to nursing procedures.

**Work Placement Hours:** there is no work placement associated with this qualification.

## Recommended Background

The Certificate IV in Preparation for Nursing is for Year 12 students only as the following TAFE entrance requirements apply:

- C grades in Year 11 WACE General English and Mathematics (or equivalent completion of OLNA or Band 9 Year 9 NAPLAN)
- Successful completion of a Certificate II in Year 11

In addition to the TAFE entry requirements listed above students also need to satisfy the following:

- Achievement of 6 C grades or better in Year 11 Courses
- Maintenance of acceptable attendance percentage (+90%)

## Certificate Progression

Upon successful completion of this certificate, students could progress to the following pathways:

- Diploma of Nursing
- Possible university entry into Bachelor of Nursing or Bachelor of Midwifery
