## FROM THE PRINCIPAL *Dan McCormack*

At this stage all students are in the middle of (Year 11) or just completed (Year 12) timed assessments and final assessments for Semester 1. Year 12 General students are also completing Externally Set Tasks. Very soon reports will be out and everyone will be able to see what their progress looks like. This is an important time for Year 12s who need to ensure they are ticking all the boxes in order to achieve their WACE. At EGC, we encourage our students to give their best. Whilst acknowledging that it doesn't always work out, we are here to support them in any way we can. In the coming weeks, we recognise that a team approach is most effective and should you have any concerns, require assistance or clarification, please don't hesitate to make contact.

I acknowledge that the year so far has been both different and difficult for students, teachers and their families, but now is the time to take stock and ensure that we head into the remainder of the year with the end goal firmly in mind.

It's time to press the reset button and have our students treating EGC as their workplace, ensuring they are always appropriately dressed in the college uniform and ready to start at 8.20am each day. They need to complete work to the best of their ability and strive to be the number one pick for the University or TAFE course, apprenticeship, traineeship or employment they are after post school.
