Deputy Principal Year 11: Vicki Bogensperger  
Manager Corporate Services: Gordana Grubelich

## FROM THE PRINCIPAL *Dan McCormack*

With this newsletter you will find a Progress Report so that you can see the progress of your son/daughter with their senior schooling studies. I encourage you to contact their subject teachers if you would like anything clarified from the report.

You may remember in an earlier newsletter that we want students to treat our college as their workplace. A large number of our students have taken this on board and have received very pleasing Interim Reports and are well on track for fantastic Semester 1 results.

If your son's/daughter's report is not in this category then they may need to focus on ticking off all the boxes of being a great worker in their 'workplace'.

It's not too late to achieve good results but we need to keep in mind that final assessments and Semester 1 exams are not too far away.

The biggest question for all students is - Will this Interim Report get me to where I want to be? If the answer is 'No' then it is well and truly time to make changes so that the answer will be 'Yes' when the Semester 1 report is issued.

### PARENTS NIGHT

Parents Night will be taking place from 5pm on Tuesday 30 March - appointment sheets and details relating to this are provided for you with this newsletter. If you are unable to make it, please feel free to phone teachers to arrange an alternative meeting time. Please also take this option if your son's/daughter's teachers run out of appointment slots.

Parents Night will be located in the Student Services Block – adjacent to our General Studies Block – off the corner of Cassidy & Cheetham Streets.
