FROM THE PRINCIPAL *Dan McCormack*

It is hard to believe we are in Week 9 already - the term is certainly flying by especially for our Year 12s who are aiming towards attaining WACE at the end of this year. A reminder to all ATAR students in both year groups that a holiday revision program is fundamental to doing well in first semester exams – please see your Year Coordinator if you need help with this.

You may remember in an earlier newsletter that we want students to treat our college as their workplace. A large number of our students have taken this on board and have received very pleasing Progress Reports and are well on track for fantastic Semester 1 results. If your son's/daughter's report is not in this category then they may need to focus on ticking off all the boxes of being a great worker in their 'workplace'.

Along with all schools in Australia, our college will acknowledge the contribution of ANZACS and other service men and women in shaping the future of the country in which we live. Our ANZAC assembly will be held on Thursday 6 April commencing at 9am in the Goldfields Arts Centre and will be followed by our Term 1 Achievement Awards. **Parents are more than welcome to attend.**
