FROM THE PRINCIPAL *Dan McCormack*

Here we are at the end of Term 1 and the weeks have gone by quickly. Congratulations to all students who have put in a solid term's work and you will see many of them listed in this newsletter on the Term 1 Achievement Awards page.

Just a reminder to all students the importance of the following attributes –

- Always be ready to start classes at 8.20 each morning
- Regular attendance - 90% and above is preferable - 100% is brilliant!
- Make the best use of class time at school
- Submit all work for assessment - many students have done the work, but don't hand it in!
- Aim for C grades and above - too many grades below C may put graduation at risk
- Keep their mobile phones off and in their bags during the school day.

It's not too late to achieve good results but we need to keep in mind that final assessments and Semester 1 exams are not too far away.

EGC Annual Report 2022 is now available to view on our website – egc.wa.edu.au

To our students - enjoy the break and we will see you for classes again at the start of next term.

To all of you – stay well!

Term 2 classes commence Thursday 27 April

YEAR 12 INFORMATION

School Curriculum & Standards Authority

Year 12 students are required to complete the **Student Declaration and Permission** in the student portal at <https://studentportal.scsa.wa.edu.au>:

Students are requested to complete this process online by **Thursday, 24 August 2023** at school or home.

Student Declaration - Students will need to declare they are aware of the requirements to achieve the Western Australian Certificate of Education (WACE) and for sitting the ATAR course examination. Please refer to the *Year 12 Information Handbook* available on the SCSA website at <https://www.scsa.wa.edu.au/publications/year-12-information>.

Student Permission - All students will be asked to give permission for the following:

(a) **Release of their name should they win an award**

Award winners are published in the media and on SCSA's website, if permission to do so has been given.

(b) **Use of school work for creating support materials**

SCSA is seeking permission for the use of the school work produced during 2022, e.g. assignments, projects, portfolios, test, school-based exam responses.

(c) **Use of examination responses (written & practical)**

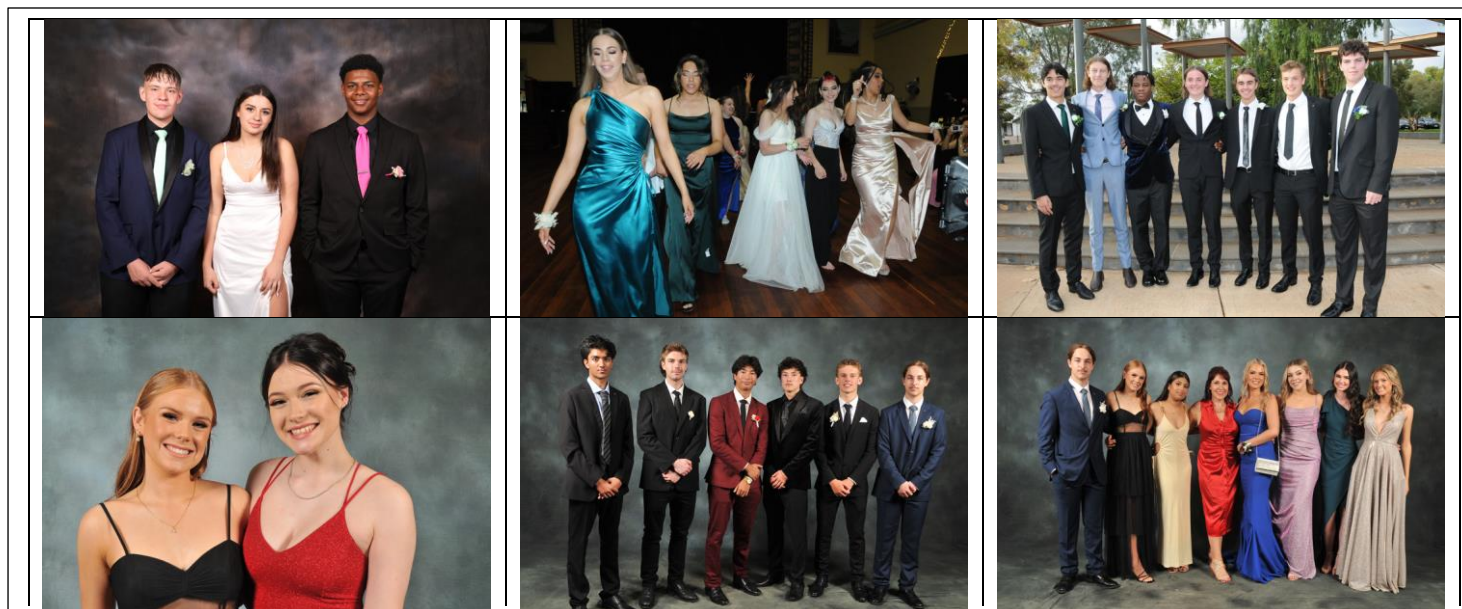

SCSA is seeking permission for the use of:

- ATAR course written and practical examination responses (copyright owned by the student); and
- images and sound recordings of the student in photographs, audio recordings and audio visual recordings that are made during the ATAR course practical examinations (copyright owned by the State of Western Australia).

Students will be encouraged to discuss each of the above questions with you, prior to completing the *Student Declaration and Permission* online. If they are under 18 and have not discussed their responses with you, they will not be able to proceed further with their submission.

Please note: Students will be required to complete the *Student Declaration and Permission* when they log in to the student portal before they can gain access to other important information, such as their course enrolments, examination timetable/s and results. Further information on **Student Declaration and Permission** is available on the Authority's website at <https://senior-secondary.scsa.wa.edu.au/the-wace/student-declaration>.

We will be getting students to undertake completion of their Declarations at school from the start of Term 2

After weeks of preparation, the ball committee and Celebration City had Kalgoorlie Town Hall ready for a night to remember for the EGC MET Gala Ball. Students looked great in their suits and beautiful ball dresses and all enjoyed the floor show provided by the Year 12s.

Belle of the Ball was Laurell William and Beau of the Ball was Thomas Hyde. After the entertainment of the floor show, students danced the night away to the DJ's tunes.

A huge thank you goes out to all those involved in making this year's ball a great success. Thank you to our students on the ball committee, staff who helped out prior to and on the night with organisation, decoration, dancing, sweets preparation, clean ups and serving drinks. Finally a huge thank you to parents and family members who assisted in the transformation of our young ladies and gentlemen for the night - our shining stars!

Wishing all our students and college community a happy Easter. If you are travelling – travel safely.
