This Newsletter is for Year 11 parents and provides information about exams, end of semester and start of Semester 2 classes. Students in Year 11 ATAR Pathway courses are expected to be preparing for examinations by completing regular revision for all courses with an exam. This would involve creating a study timetable showing what time is being committed per course per week to complete revision, having a study note book for each course where revision notes are made and checked by teachers to ensure correct, re-reading notes and text book chapters, completing exercises, calculations etc.

YEAR 11 Semester 1 exams take place from Tuesday 6 June to Wednesday 14 June.

All General Courses will have classes as usual. Certificate courses, TAFE and Workplace Learning continue as normal. No ATAR Courses will have classes over the exam period.

Students need to attend any classes which are running as normal, unless they are timetabled to sit an exam – this applies to students who have a combination of exam and non-exam courses. Students are welcome to use the college facilities for private study over the exam period.

All morning exams commence at 8.30am and all afternoon exams commence at 12.30pm. If there are any problems with connecting with a bus at the end of an exam, then students should see Mrs Bogensperger (Year 11 DP) prior to the exams commencing. Examination guidelines will be issued to students to ensure that everyone is fully aware of exam processes.

All classes for Year 11s will resume on Thursday 15 June as the start of their Semester 2.
