Course Selection Instructions

Although staff make every effort to accommodate each student's choice of courses, insufficient numbers of students choosing a course, may result in students being placed in reserve courses. It is *your* responsibility to ensure that your selections qualify you for any future pathway or desired career and that these courses are within your ability. For more information on courses visit: www.egc.wa.edu.au

1. Choose SIX courses, as described:

To select your first six courses, locate and circle each course on the grid (a different course should be selected on each of the 6 lines of the grid) and then write the name and Course Code for each course. Notify the Deputy Principal if you are studying a course in year 11 and cannot study the same combination of courses in year 12.

2. Choose THREE Reserve courses:

To assist with the planning of choices, students must choose three extra courses to act as "reserves" in case original selections cannot be offered.

3. Read and sign below:

I have selected my six courses and three "reserve" courses. I understand that it cannot be guaranteed that all courses offered will actually run in 2024. If clashes of courses occur, my reserves may be used, or I may be asked to reselect courses.

5. Parent or Guardian: Please carefully check these selections with your son/daughter, then sign below

I agree with this selection of courses for my son/daughter. I request the courses as listed on the understanding that:

- Some courses may not be timetabled, or may be moved on the grid due to economic or other constraints. In order to gain direct entry to University, my son/daughter must study at least 5 courses that lead to exams, including one of the English courses (English, Literature and English as an Additional Language/Dialect);
- Direct Entry to University or TAFE courses may require the completion of pre-requisite or recommended courses in Year 11 & 12; and
- I take full responsibility for my son's/daughter's outcomes, if I do not accept the school's advice.
