This newsletter will arrive to you at the start of the Term 3 holidays and the countdown is certainly on for our Year 12s facing final assessments, Semester 2 exams and of course the WACE exams for tertiary entrance. While holidays generally give us all a break, Year 12s may well need to keep up the study as their end of year is so close. Year 11s will have gone through the process of selecting their courses for next year. My big hope is that those who were on the edge of passing have given a solid effort to ensure you make it through to Year 12. As I have said many times before it is not just a case of our students rolling over into Year 12 - if they are not satisfying requirements towards graduation, they will be undertaking Year 11 again in 2024.

Included with this newsletter you will find a list of our academic award winners for Term 3. Congratulations to all of them listed - some are the top academic students in their courses while others have improved the most over Term 3.

Our Physical Education students are undertaking their practical exams in Perth during the first week of the holidays. Results from these go towards their final ATAR scores so good luck to all these students.

Year 12 University pathway courses will not run during the exam period - other classes will run as normal during this time. **Exams conclude on Friday 13 October and all ATAR students are expected to attend Monday 16 to Friday 20 October as these are the last days for students to get exam feedback.**

REMINDER – Term 4 classes for all Year 12 General students and all Year 11 students commence on Monday 9 October.

EGC MENTAL HEALTH WEEK

ACT - BELONG - COMMIT

EGC has signed up to become part of the Mentally Healthy Schools program promoting the Act Belong Commit ethos throughout our school community. We believe that student (and staff) mental health and wellbeing are one of our biggest priorities and that to work to the best of our ability, we need to keep mentally healthy. We hope by promoting the Act Belong Commit message, it not only educates young people about what they can do to prevent the onset of mental illness, but also encourages them to participate in all activities on offer to be active and do good things for others. To find out more about Act Belong Commit, visit - <https://www.actbelongcommit.org.au/>
