Manager Corporate Services: Natasha McCormack

## FROM THE PRINCIPAL *Dan McCormack*

Last week we said farewell to our Year 12s of 2023. I would like to take this opportunity to congratulate all award winners from our Valedictory evening – you will find an acknowledgement of all winners in this newsletter.

Our current focus is on our Year 11s. At the risk of sounding like a broken record, it's imperative that our Year 11s continue their efforts in the lead up to the end of the year. We are now heading towards final assessments and end of year exams so the momentum needs to continue. As soon as results are through some students and their parents may be contacted to reselect courses for a repeat of Year 11. I'm assuming that this will not be a surprise to anyone as I'm sure many warnings would have been given along the way.

Included with this newsletter you will find a Colours nomination form for Semester 2. If you would like to nominate your son/daughter for one of the extra curricular Colours Awards, please complete the nomination form and return to the college by Friday 17 November. These are for both Year 11 and 12 students. If you know of any student who fits the criteria then please nominate them - details are on the nomination form.

Photos of Valedictory can be purchased from
