## Making the Most of Wednesday Workshops

Wednesday Workshops are one of the most valuable learning opportunities we offer. They provide focused time for students to strengthen their study skills, catch up on work, clarify concepts, extend their learning and build important wellbeing and organisation habits.

Teachers and the Pathways team prepare these sessions with purpose—so every student can use the time in the way that best supports their goals.

A question we often hear is: **“Is it mandatory?”**

But the real question is: **“Which opportunity will help me achieve my goals better?”**

Wednesday Workshops are an intentional part of our program, giving students the support they need to stay on track and feel confident in their learning—whether they’re aiming for university, an apprenticeship, a certificate or employment.

By engaging fully, students invest in themselves: strengthening their foundations, building resilience and developing the self-management skills needed for long-term success.

**Use this time wisely. Ask questions. Seek support. Strengthen your learning.**

These workshops exist to help every student achieve their personal best.

## Year 12 Student Declarations

Year 12 students are required to complete their **Year 12 Declarations**, which are **compulsory to achieve WACE**. Sessions will be held at **9:00am, 9:15am, 9:30am and 9:45am** on **Wednesday 4<sup>th</sup> March** and **Wednesday 11<sup>th</sup> March** in the **HUB**. Please ensure your child attends one of these sessions.

If your child is in VET, arrangements have been made for them to complete this in their study line.

## Year 11 Welcome & Introduction Evening – Thank You!
