

Eastern Goldfields College

EGConnection

Issue 5. 30 March 2026

From the Principal

Mel English

At Eastern Goldfields College, we know that student success is built on strong partnerships between home and school. When we connect and communicate with parents and carers, we create a shared understanding of each student's needs, goals and challenges. This partnership helps us provide the right support, both in and out of the classroom, so every young person can thrive.

That's why, on **Tuesday 5th May**, EGC will be closed to students to give our staff dedicated time to meet with parents and carers. These meetings are more than a formality—they are a chance for teachers and families to work together, discuss progress and set clear, achievable goals for the months ahead. By sharing insights and listening to each other, we can respond quickly to any concerns and celebrate growth along the way.

This approach is supported by the recent changes to the Configuration of the School Day policy, which now allows schools to dedicate up to two days each year for staff-parent communication. We're making the most of this flexibility because we recognise the value of uninterrupted, meaningful conversations. Our Reporting to Parent Event will run until 6.00 pm to maximise the opportunity for parents to meet face-to-face or via phone with the relevant staff.

We see the difference these connections make every day. When parents and teachers work together, students are more engaged, attend more regularly and feel supported in their learning and wellbeing.

Thank you to our staff for your professionalism, care and dedication to building these vital relationships, and thank you to our parents and carers for your ongoing involvement and trust. Together, we are making a real difference for every learner at EGC.

EGC UPCOMING EVENTS

- 2 April - Last day of Term 1
- 20 April - First Day of Term 2
- 21 April - Anzac Assembly
- 5 May - Parent Evening

Bicycle & Scooter Security Reminder

Students are encouraged to ride bikes, scooters or e-scooters to school; however, as our school is an open campus, all equipment must be securely locked when parked to reduce the risk of theft or damage. Locks are available to loan from Student Services and families are asked to remind students to use designated racks and travel safely to and from school.

Sports & Recreation
