Parent Reporting Day

On **Tuesday 5th May**, Eastern Goldfields College will hold Parent Teacher Meetings for all students from 9:00am to 6:00pm at EGC Student Services. Scheduled classes will **not** run on this day; however, students will benefit from attending meetings with their parents.

Parents and guardians can book a 15-minute session with teachers- either in person or by phone. An **email link** will be sent to parents shortly; this will allow access to the SOBS system to book appointments with your child's teachers. Access will be available **Monday 20th April**. Please [click here](#) to view instructions on how to navigate the online booking portal once you've received the link.

Students are encouraged to bring their student diaries along to the interviews.

The purpose of these meetings is to discuss progress and strategies for success, as students prepare for ESTs, exams and WACE completion. It will provide parents an opportunity to check in with teachers before Semester One reports.

Our Student and Engagement Team, Student Academic Pathways Team, and Technical Support Team will also be available on the day to provide support to families.

Real Schools – Restorative Practices Info Session

Join the Real Schools informative session to hear about **Restorative Practices**—what they are, how they work, and why they're making such a positive impact in our classrooms and playgrounds.

This is a great opportunity to hear more about how we're building stronger relationships, creating a safe and supportive school culture, and helping our young adults to grow socially and emotionally.

There'll be space to ask questions, hear real-life examples, and see how it all connects with the way we support your child every day.

Your Facilitator

For over 23 years as a WA teacher, principal, director, system leader, association president and mentor, Merrilee has demonstrated skill in successful school and system leadership, founded on her breadth of experience in both education support and mainstream primary and secondary contexts.

Her deep commitment to creating cohesive and inclusive learning environments, where every voice is valued, underpins her support for school communities to successfully implement strategies for a positive culture.

How do we ensure Eastern Goldfields College's teachers and parents are on the same page?

How do we work together to mould young people for today and tomorrow?

How can we use the same strategies to manage behaviour, encourage responsibility, and improve the chances of success?

They seem like outrageously big questions, don't they? And they are... but they do have answers. Unfortunately, too often parents and schools are not on the same page when it comes to answering them.

Eastern Goldfields College wants to do something about that, and has commenced a partnership with Real Schools to make it happen. But the school can't do it alone. That's why we need you at this critical event in the history of your school and the future of your children.

youtu.be/wHkUmA3IHsI

During the session, we will:

- Tell you all about the Restorative Practices Partnership that the school is embarking on.
- Ask for your input.
- Provide you with strategies to use immediately in your parenting ... the same strategies your teachers are using now.
- Learn how to respond, rather than react, to your child's behaviour.
- Share the best ways to build a meaningful partnership with your school.

We would like to extend our sincere thanks to AngloGold Ashanti for their generous partnership and ongoing commitment to supporting our students. Their sponsorship has enabled us to provide valuable OLNA preparation workshops, ensuring our students have access to the resources and guidance they need to succeed. We are incredibly grateful for their support in helping create meaningful opportunities and positive outcomes for our school community.
