Mel English

Building Strong Partnerships for Student Success

Research and experience tell us that students achieve their best outcomes when parents, students and teachers work together. Nowhere is this more important than in Years 11 and 12—a critical time that helps shape pathways beyond school and sets young people up for a strong and successful future.

When parents stay informed and involved, students feel supported, teachers gain valuable insight, and a strong community forms around each young person. This partnership helps students navigate academic expectations, wellbeing, and future planning with confidence.

By being engaged, asking questions and understanding what lies ahead, parents can make a meaningful difference to their teen's motivation, decision-making and outcomes.

We invite you to join us on **Tuesday** to learn more about how parent partnerships can positively impact Year 11 and 12 students, and how you can play an active role in supporting your teen toward a bright future.

Parent Reporting Day - Reminder

On **Tuesday 5th May**, Eastern Goldfields College will hold Parent Teacher Meetings for all students from 9:00am to 6:00pm at EGC Student Services. Scheduled classes will **not** run on this day; however, students will benefit from attending meetings with their parents.

Parents and guardians can book a 15-minute session with teachers- either in person or by phone. An **email link** will be sent to parents shortly; this will allow access to the SOBS system to book appointments with your child's teachers. Please [click here](#) to view instructions on how to navigate the online booking portal once you've received the link.

Students are encouraged to bring their student diaries along to the interviews.

The purpose of these meetings is to discuss progress and strategies for success, as students prepare for ESTs, exams and WACE completion. It will provide parents an opportunity to check in with teachers before Semester One reports.

Our Student and Engagement Team, Student Academic Pathways Team, and Technical Support Team will also be available on the day to provide support to families.

Follow The Dream

Follow the Dream tutoring sessions for Indigenous students will commence at Eastern Goldfields College on Wednesday 6 May, providing a supportive environment to strengthen learning and build confidence.

Sessions will run weekly on Wednesdays from 12:00pm–2:00pm in E Block, offering students the opportunity to receive academic support, develop effective study skills and connect with mentors who promote high expectations and positive future pathways. All eligible Indigenous students are encouraged to attend and take advantage of this valuable learning opportunity.

If you have any questions, please do not hesitate to contact our Follow the Dream Champion, Saralee Manton, at saralee.manton@education.wa.edu.au.

We would like to extend our sincere thanks to AngloGold Ashanti for their generous partnership and ongoing commitment to supporting our students. Their sponsorship has enabled us to provide valuable OLNA preparation workshops, ensuring our students have access to the resources and guidance they need to succeed. We are incredibly grateful for their support in helping create meaningful opportunities and positive outcomes for our school community.
