

Nick Reghenzani

Deputy Principal- Pathways for Student Success

Dear families of Year 11 students,

As Semester 2 approaches, we are reviewing Year 11 student progress and making recommendations to students on possible pathway changes.

At the same time, we are realigning our timetable to ensure that we can drive the best outcomes for students. A letter will be sent home with information regarding the Year 11 Course Change process.

Please take the time to read and contact the school if you have any further questions or concerns.

Kind regards,
The Pathways Team
