Celebrating Positive Displays of Our College Values

Over the past few weeks, our staff have been placing a strong focus on recognising when our students are doing the right thing and living our Eastern Goldfields College values. Since 1st May, we've recorded 185 Positive Display of Values entries, acknowledging 298 students who have demonstrated behaviours aligned with **Respect for Self, Respect for Others, Respect for Community, Responsibility, Equity & Inclusivity, and Achievement & Empowerment.**

To celebrate these positive contributions, we recently held a prize draw, with five students receiving rewards for consistently demonstrating our values in their daily actions. Their efforts help create a safe, respectful and inclusive learning environment for everyone. Our next prize draw will be in Week 10.

Parents and carers will also receive an email when their child displays our values at an exceptional level - a wonderful opportunity to share and celebrate these moments of pride at home.

Our students continue to show that our values are more than words on a poster; they are actions that strengthen our whole school community.
